## About Us

Multiple Business Systems is the #1 Promethean reseller in Chicago. 1 in 9 Chicago Public Schools have chosen Multiple Business Systems as their trusted provider.

Why? It could be that MBS is the only Promethean reseller in the Chicago area that is vertically integrated to maintain quality throughout the entire process. Raymond & Karen Tolbert

Whether it is Our Promethean sales team, Transportation crew, Installation team, on-site repair technicians, or Professional Development Trainers; our employees will see you through the entire process to ensure a successful implementation that gets academic results.

Multiple Business Systems is made up of Chicago Public Schools Alumni:

The President and CEO is product of CPS

70% of Multiple Business Systems' employees are a products of CPS

30% of Multiple Business Systems' workforce live in Chicago

This alumni relationship is one of the reasons why Multiple Business Systems is dedicated to making a positive impact in the Chicago Public Schools.

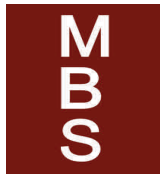

Multiple Business Systems is large enough to provide your school the quality comprehensive support you deserve, yet small enough that your business really matters.

MBS has been serving CPS for over 10 years and is in the top 10% of CPS vendors.

MBS is family owned and operated. With a solid reputation built on integrity and commitment; we take pride in everything we do.

Call us at 708-799-3400 or visit us on the web at [www.mbschicago.net](http://www.mbschicago.net)

# Why Promethean?

The ActivClassroom by Promethean is an integrated system of hardware, software, content, training, resources, and support designed by educators for educators.

**Durability:** The Promethean interactive whiteboard is designed to have a 15 year useful life expectancy. The Promethean ActivBoard can be scratched with a sharp object or hit with a hammer and will still operate.

**Results:** The ActivClassroom is proven to improve instructional results. Dr. Marzano's research, (a 2 year study of 4,913 Students of 123 teachers in 73 schools, across 36 districts) has demonstrated the Promethean ActivClassroom can improve student achievement on average by **16 percentile** points.

**Software:** Promethean's ActivInspire and ActivOffice software allows teachers to use one program to manage all of the technologies in the ActivClassroom..

**Free Content:** Promethean Planet has over 50 thousand free lesson plans and activities for teachers to use in the classroom. More than all other hardware companies combined.

**Content:** Many of the world's best educational resource providers like Scholastic, Brain POP, McGraw-Hill and Pearson choose to deliver their content through Promethean's ActivClassroom.

**Efficiency:** The ActivClassroom saves time. Assessments are done real time and can be exported to Excel spreadsheet and imported into GradeBook.

**Return on investment:** This system will increase efficiencies in teaching and increase academic achievement.

**Integration:** All of Promethean's products are designed to work together seamlessly.

**Warranty:** We stand behind our product with a 5 year warranty.

**Support:** Multiple Business Systems provides a single point of contact for all support. From project management, installation, training, and on-site repair.  
"one call solves it all."

## ActivExpressions

**ActivExpression V2**  
32 students units

**ActivExpressions** : Advanced Learner Response Units  
Allows students to answer True/False, Multiple Choice, Likert Scale, and Texting words and sentences.

### Instantly grades and graphs all answers.

(bar chart, pie chart, text), allows the teacher to instantly know if the class understood the lesson.

Allows for real-time RTI.

**ActivExpression Version 1**  
32 students units

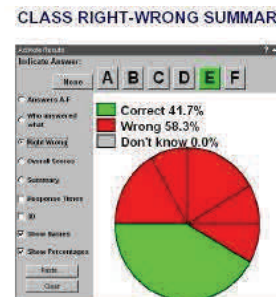

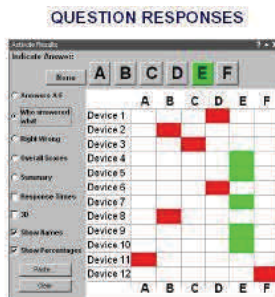

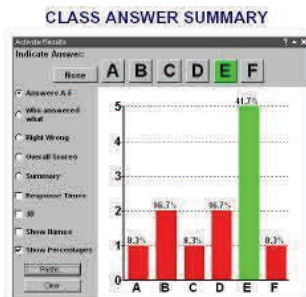

Provides every student a voice.  
Provides teachers the data they need to make a difference.

Can export results to Excel and Gradebook.  
Prints results in reports.  
Teacher time is spent analyzing data instead of grading exams.

### Differentiation Made Easy

Self Paced assessments allows the teacher to send a full set of questions to the students devices. Students answer the questions at there own rate. Self leveling option allows questions to be tailored to each student. As a student mas-

## ActivProgress

### ActiView:

Promethean's answer to the Elmo. This Document Camera allows objects to be displayed and manipulated real time. Students can share their homework with the class with ease.

The ActiView comes with a remote control to all hands free control of the camera.

### ActiView Document Camera

**ActivSlate:** wireless remote control for the ActivBoard. Allows teacher to operate the board from the back of the classroom.

**ActivSlate: Requires active hub**

**ActivEngage and ActivEngage Mobile**, are the software versions of the ActivExpressions. They have been designed to operate on a variety of hardware Platforms.

**ActivEngage** runs on Windows and based Mac Computers and laptops.

**ActivEngage Mobile** runs on Ipad, Iphones, Ipod touch, Android Smartphones, and Android tablets.

Just like the ActivExpressions, ActivEngage allows students to answer True/False, Multiple Choice, Likert Scale, and Texting words and sentences. It instantly graphs and grades all answers. (bar chart, pie chart, text) which, allows the teacher to instantly know how the class is performing. With self paced and self leveling assessments teachers have the data to do RTI.

**The Marzano Study (2010)**

“Evaluation Study of the Effects of Promethean ActivClassroom on Student Achievement”

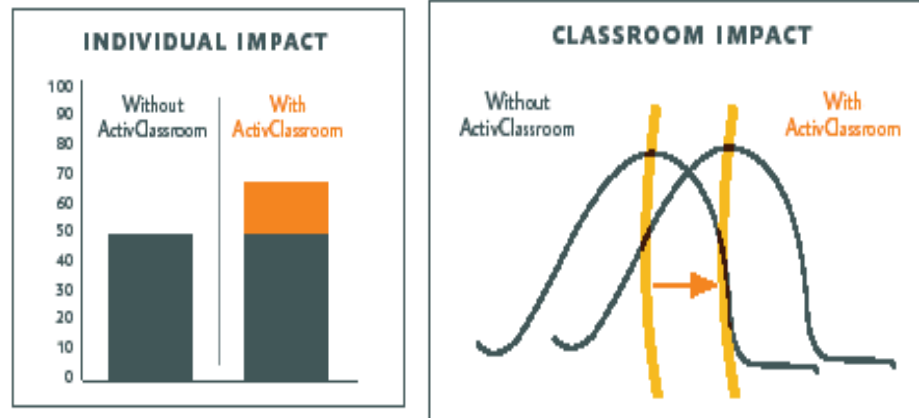

**2 Year Study of:**

**4,913 Students of 123 teachers in 73 schools, across 36 districts.**

**Study Findings:**

Students of teachers with minimal teaching experience can

**expect a 16 percentile gain** in academic achievement.

**ActivClassroom Core Components:**

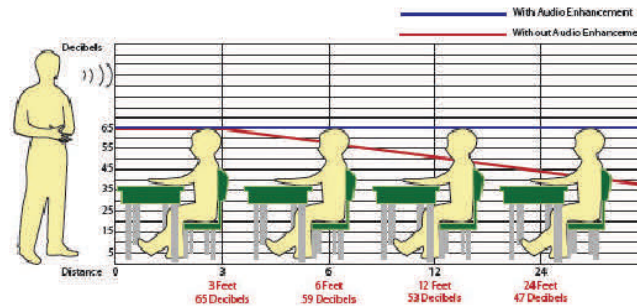

- |                          |                                    |
|--------------------------|------------------------------------|
| ActivBoard               | Learner Response Systems           |
| Interactive Software     | Lessons Aligned to State Standards |
| Professional Development | Professional Learning Community    |

**The Darai Study (2000)**

“Using sound field FM Systems to improve literacy.”

“Students in amplified classrooms achieved **greater literacy gains** than control students, particularly **bilingual and special education** students,  
“Darai (2000)

**Sound DECREASES 6 dB every time the distance is doubled**

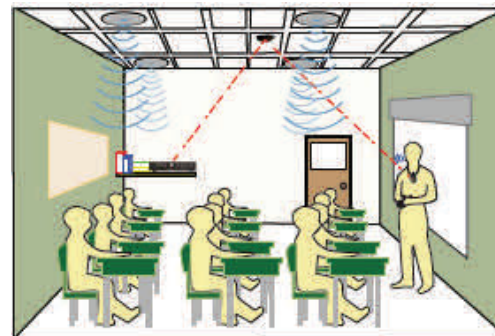

Since 75 percent of the school day is spent listening, how well children hear their teacher affects how well they learn.

Students can achieve at higher levels when they can hear clearly and don't have to strain and guess at what the teacher is saying

**Teacher benefits include:**

- Reduces vocal strain
- Reduces voice fatigue.
- Decreases teacher absences
- Improves teacher morale
